Dear Sir/Madame

The Saskatchewan Public Works Association (SPWA) is pleased to be hosting our **64<sup>th</sup> Annual Conference and PWville** at the **Saskatoon Inn**, in Saskatoon SK., **February 28 – March 2, 2023**. This conference brings together people from across the province who are involved in all aspects of public works. Over 800 communities, RMs, and First Nations, along with government and municipal decision-makers, municipal engineers, consultants, suppliers, and contractors are invited to attend. *\*(based on current SHA guidelines at the time)*

At the conference, professionals within the field of public works have an opportunity to network, develop contacts, exchange ideas, attend technical and educational sessions and see what new material, technology, and equipment is available. The theme of this year's conference is **'Public Works ~ Ready and Resilient'**.

We invite you and your personnel to attend to gain valuable information and knowledge, receive CEUs, connect with other individuals in your field, and contact with suppliers and other industry professionals! We are currently working on the Conference Agenda that will show the wide variety of topics that we are excited to offer delegates. Tuesday's education sessions are designed for an administrative/council perspective. Concurrent educational sessions will be hosted Wednesday, with the 0.6 CEU program held on Thursday.

PWville (the tradeshow) is open on the first 2 days of the conference, with dedicated non-compete time from the education sessions. This allows delegates the opportunity to speak with the many suppliers who can show you first-hand the benefits they can offer. Be it training, new products, or enhanced services, you will be presented with ways to improve the functionality and efficiency of your public works operation.

Also included in this package is the Delegate Registration. If you require any additional information, please visit our website at <http://saskatchewan.cpwa.net/EventDetails/28334> or contact myself for more details.

Sincerely,

Trina Miller  
Chapter Administrator
